SUPPORTING

If you're over 18 years old and making a personal donation, please give your full name and home address and tick the box so we can claim Gift Aid*. When you tick the Gift Aid box, the government will give us 25% on top of your donation. It doesn't cost you a penny and it means that every pound that you donate can go further to support families facing the death of a parent. This declaration can be used to collect Gift Aid on any donations you make in the future or have made in the past four years. We won't use this information for any other purpose.
